- 10-year limited warranty – compressor††
- 10-year limited warranty – parts††

\*SEER – Seasonal Energy Efficiency Ratio  
\*\*AFUE – Annual Fuel Utilization Efficiency

## Comfort Enhancements

<b>Easy Serviceability</b>	Every unit is fully charged, run and tested for leaks at the factory to <b>ensure faultless performance</b> in your home. These packaged units are also built for <b>economical installation</b> , and service doors provide easy access for maintenance and repairs. Low nitrogen oxide-certified units and filter kits in 1", 2" and 4" sizes are available for improved indoor air quality.
<b>Quality Construction</b>	Every component is designed for durable, worry-free operation...from the <b>weld-free tubular aluminized steel heat exchanger</b> and <b>solid-state ignition control board with LED diagnostics</b> to the heavy-duty <b>scroll compressor</b> . The <b>platinum gray louvered cabinet</b> offers enhanced protection and an attractive appearance designed to complement every home.
<b>Energy Efficiency</b>	<b>Save money</b> throughout the year with the exceptional heating and cooling performance of AirEase packaged units.† <b>13 SEER cooling efficiency</b> and <b>78% AFUE heating operation</b> help you squeeze more out of every fuel dollar, while <b>2- to 5-ton cooling capacity</b> and <b>68,000–138,000 Btuh heating input</b> provide total comfort in every season. Plus, you can feel good knowing these packaged units use <b>R410a refrigerant</b> , which meets government standards for <b>ozone and environmental safety</b> .

\*\*\*Lifetime limited heat exchanger warranty applies to registered equipment only (standard 20-year with no online registration). See full warranty at [www.alliedair.com](http://www.alliedair.com) for terms, conditions and exclusions.

†Potential savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, and installation of equipment and duct system.

††Warranty provides for a total of 10 years of limited warranty coverage (standard 5-year limited parts warranty, plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. See full warranty at [www.alliedair.com](http://www.alliedair.com) for terms, conditions and exclusions.
