

80 Advantage

Mid-Efficiency Gas Furnaces
G1D80

Reliable heat
and enhanced
home comfort.

AIREASE™

Built for life. Yours.

Be at ease with the quality and performance of AirEase™

There's something comforting in the thought that every time you step into your home it will be warm and restful. AirEase gas furnaces feature the highest-quality engineering to ensure reliable and dependable operation—even under the harshest weather conditions. And with robust parts and energy-efficient operation, you can be sure that AirEase products deliver uncompromised value.

- Up to 80.0% efficient
- Lifetime limited warranty – heat exchanger*
- 10-year limited warranty – parts**

Comfort Enhancements

<p>Energy Efficiency</p>	<p>The Advantage 80 furnace features an AFUE rating of up to 80.0%. That means less energy is required to maintain the comfort of your home when compared to older, less efficient furnaces. In the short term, you save on utility bills. And in the long term, the energy savings can exceed what you paid for your furnace. Now that's a smart investment!</p>
<p>Reliable Comfort</p>	<p>Featuring a single-stage gas control system, the Advantage 80 ensures reliable heat output to maintain even temperatures throughout the home. This means that your comfort never wavers, regardless of the changing weather conditions outside. It's this kind of dependable performance that exemplifies AirEase quality.</p>
<p>Quality Construction</p>	<p>The Advantage 80 is engineered with quality components that last. Made with robust materials like an aluminized steel heat exchanger to help resist corrosion and maintain long-lasting performance, the Advantage 80 provides years of trouble-free operation. Add the peace of mind of our impressive warranties* and you have dependability that makes a difference.</p>
<p>Quiet Operation</p>	<p>With features like a fully insulated cabinet and blower compartment and the ability to bring in combustion air from outdoors (two-pipe), the Advantage 80 is designed to operate quietly. It's just another element that adds to your ultimate comfort.</p>

*Lifetime limited heat exchanger warranty applies to registered product only (standard 20-year with no online registration). See full warranty at www.alliedair.com for terms, conditions and exclusions.

**Warranty provides for a total of 10 years of limited warranty coverage (standard 5-year limited parts warranty, plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. See full warranty at www.alliedair.com for terms, conditions and exclusions.
