

Advantage 93

High-Efficiency Gas Furnaces
G1D93

Make yourself
at home with
the assurance
of AirEase.

AIREASE™

Built for life. Yours.

The warmth of high performance. The savings of high efficiency.

AirEase™ high-efficiency gas furnaces are engineered to offer more than warm and reliable heat. They also offer value. With efficiency ratings that exceed ENERGY STAR® qualification guidelines, our furnaces help reduce energy consumption and lower your monthly utility bills. So while you're enjoying cozy and peaceful warmth, you can also enjoy savings that help your budget.

- Up to 93.0% efficient
- ENERGY STAR-qualified
- Lifetime limited warranty – heat exchanger*
- 10-year limited warranty – parts**

Comfort Enhancements

<p>Energy Efficiency</p>	<p>The Advantage 93 furnace has an impressive AFUE rating of up to 93.0% – meeting strict energy-efficiency criteria required for ENERGY STAR qualification. And that means less energy is required to maintain the comfort of your home when compared to older, less efficient furnaces. In the short-term, you use less energy. And in the long-term, the energy savings can exceed what you paid for the furnace. Now that's a smart investment!</p>
<p>Reliable Comfort</p>	<p>Featuring a single-stage gas control system, the Advantage 93 ensures reliable heat output to maintain even temperatures throughout the home. This means that your comfort never wavers, regardless of the changing weather conditions outside. It's this kind of dependable performance that exemplifies AirEase™ quality.</p>
<p>Quality Construction</p>	<p>The Advantage 93 is engineered with quality components that last. Made with robust materials like stainless steel heat exchangers to help resist corrosion and maintain long-lasting performance, the Advantage 93 provides years of trouble-free operation. Add the peace-of-mind of our impressive warranties and you have dependability that makes a difference.</p>
<p>Quiet Operation</p>	<p>With features like a fully insulated cabinet and blower compartment and the ability to bring combustion air from outdoors, the Advantage 93 is designed to operate quietly. It's just another element that adds to your ultimate comfort.</p>

* Lifetime limited heat exchanger warranty applies to registered equipment only (Standard 20 years with no online registration). See full warranty at www.alliedair.com for terms, conditions and exclusions.

** Warranty provides for a total of 10 years of limited warranty coverage (Standard 5-year limited parts warranty plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. See full warranty at www.alliedair.com for terms, conditions and exclusions
