

# 93II Advantage

High-Efficiency Gas Furnaces  
G2D93

Marrying  
comfortable  
warmth with  
efficient value.

**AIREASE™**

Built for life. Yours.

Performance you can feel. Efficiency you can appreciate.

AirEase™ high-efficiency gas furnaces are engineered to offer more than warm and reliable heat. They also offer value. With efficiency ratings that exceed ENERGY STAR® qualification guidelines, our furnaces help reduce energy consumption and lower your monthly utility bills. So while you're enjoying cozy and peaceful warmth, you can also enjoy savings that help your budget.

- Up to 93.5% efficient
- ENERGY STAR qualified
- Lifetime limited warranty – heat exchanger\*
- 10-year limited warranty – parts\*\*

*A two-stage furnace operates at high or low output settings to accurately and efficiently control home comfort in relation to outside temperature.*

## Comfort Enhancements

<p><b>Energy Efficiency</b></p>	<p>The Advantage 93II furnace has an impressive <b>AFUE rating of up to 93.5%</b>—meeting strict energy-efficiency criteria required for <b>ENERGY STAR qualification</b>. And that means less energy is required to maintain the comfort of your home when compared to older, less-efficient furnaces. In the short term, <b>you use less energy</b>. And in the long term, the <b>energy savings</b> can exceed what you paid for the furnace. Now that's a smart investment!</p>
<p><b>Reliable Comfort</b></p>	<p>Featuring a <b>two-stage gas control system</b>, the Advantage 93II has the ability to run at <b>high or low settings</b> to precisely respond to the home's comfort requirements. This helps ensure that your home's <b>temperature stays even, consistent</b> and exactly the way you like it.</p>
<p><b>Quality Construction</b></p>	<p>The Advantage 93II is engineered with <b>quality components</b> that last. Made with robust materials like <b>stainless steel heat exchangers</b> to help resist corrosion and maintain long-lasting performance, the Advantage 93II provides years of trouble-free operation. Add the peace of mind of our <b>impressive warranties*</b> and you have dependability that makes a difference.</p>
<p><b>Quiet Operation</b></p>	<p>With features like a <b>fully insulated cabinet</b> and blower compartment and the ability to supply combustion air from outdoors, the Advantage 93II is <b>designed to operate quietly</b>. It's just another element that adds to your <b>ultimate comfort</b>.</p>

\*Lifetime limited heat exchanger warranty applies to registered product only (standard 20-year with no online registration). See full warranty at [www.alliedair.com](http://www.alliedair.com) for terms, conditions and exclusions.

\*\*Warranty provides for a total of 10 years of limited warranty coverage (standard 5-year limited parts warranty, plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. See full warranty at [www.alliedair.com](http://www.alliedair.com) for terms, conditions and exclusions.
